Child fares

- Child rate eligibility is for anyone under 19 - in other words, until the end of the calendar day before their 19th birthday.
- Child fares are not sold on N-prefixed night buses. Child any time mobile tickets and pre-purchased child networkSAVERs are accepted.
- In Brighton, any reasonable valid ID can be used to prove that you are under 19 for on-bus fares. Children are no longer required to hold our own busID card to prove they are a child. BusID cards will still be required to hold our key card products and mobile tickets can only be activated following an in-app verification process. We accept the following as proof of entitlement to child fares: BusID, Metrobus Child Key Card, Citizencard, TfL Zip Card, Passport, Driving Licence or Birth Certificate.
- Up to four children accompanied by a fare paying adult or concessionary pass holder can travel for free for journeys wholly within the Brighton & Hove city area (excluding N-prefixed night routes).
- Up to four children can travel for 50p each for journeys starting, ending or wholly within East Sussex, provided they are accompanied by an adult.
- The 60p accompanied fare applies to journeys that are wholly or partially within Kent or West Sussex (excludes N-prefixed night routes). However, any reasonable ID can be used and a busID card is not a requirement for this product.
- The child off peak unaccompanied fare for journeys wholly within Brighton & Hove council area is 50p (excludes N-prefixed night routes).
- The off peak unaccompanied Child Single for journeys that start and/or end in East Sussex remains at £1.00, available to anyone under 19, not just BusID holders.
- Child unaccompanied single fares within peak times in the citySAVER zone are 85p for a short hop, £1.40 for two fare stages and £1.60 everywhere else. Outside of the citySAVER zone, Child unaccompanied single fares within peak times remain half the normal adult fare but capped at £3 Single/£6 Return until 31st December 2025, across the whole network.
