Other Rail Ticket holders

Passengers travelling alone: Adults and children holding valid rail tickets to Brighton or Hove stations are entitled to 33% off single or return fares (not Savers) on presentation of their rail ticket.

Passengers travelling together: There are different arrangements for groups of rail ticket holders travelling together. Instead of a third off they are entitled to one passenger travelling FREE if the other pays their normal single fare (not Savers). In this case the 33% off does not apply. One passenger pays the normal fare.
