At North Station, how will I know which tram to catch?

Once you've set off from North Station, the tram will either be going to Fleetwood or to Starr Gate, so it's important to check you're on the correct tram. You can check the destination blinds on the front and back too which show where you're going. Remember to look out for T2 if you want to head South towards Starr Gate, or T3 to head North up to Fleetwood Ferry!

Trams will be running every 15 minutes along the promenade from North Pier to Starr Gate and Fleetwood.

Starr Gate – Fleetwood Starr Gate – Blackpool North Station Fleetwood – Blackpool North Station

Each service will run at a 30-minute frequency, so you can take advantage of these combined frequencies:

We run 3 different routes to connect the tramway to North Station and keep the Starr Gate to Fleetwood link strong.

How will the trams work?

This is a massive development for Blackpool to connect visitors, commuters, and locals to the heart of our town the minute they step off the train.

Travelling for the weekend? The week? In a group? We've got you covered with 3-day, 7-day and group tickets, all available onboard or on the BTS app!

The best bit? You're connected to the whole of Blackpool from Fleetwood to Starr Gate right on your doorstep.
