Keeping yourself & others safe when you travel

Some important points to consider when travelling by bus...

: Wash or sanitise your hands before and after travelling.

: Pay by contactless or buy an app ticket, if you can.

: Follow social distancing signs on-board.

: You MUST wear a face covering throughout the journey, except children under 11 or if you have a disability that prevents you from wearing one. Not all disabilities are visible, so please respect other people. Those not wearing face coverings may be fined by the police.

If you have any coronavirus symptoms, however mild, do not travel. Remember, it's everyone's responsibility to follow these rules, so play your part and stop the spread. Stay safe and consider your fellow passengers and our drivers.
