East Yorkshire

5 April - 1 November 2025

Spurn Point juts out to sea at the end of the Humber Estuary, perfect for bracing shoreline walks, filling your lungs with fresh sea air or watching birds and wildlife in their natural habitat.

Discover Spurn and its amazing wildlife, heritage and scenery with the Spurn Explorer bus link.

Look out for seals, birds and porpoises along three miles of beautiful Yorkshire coastline.

Visit the Spurn Discovery Centre. It has a café, toilets, education hub, ideas for things to see and do and help on hand to make the most of your visit.

Walk to the end of the promontory to climb to the top of the 128ft tall lighthouse for breathtaking views all around.
