- these journeys start from **Picktree village centre** for times see page 16

- this journey won't be operated with an X-lines X1 bus - it'll be one of our other red & blue buses

TEMPORARY TIMETABLE

Due to a national driver shortage, reflecting labour shortages now being seen in many sectors across the country, and a short-term increase in sickness absence, we are making some temporary frequency changes to service X1 from Saturday 25 September. Buses will now run every 15 minutes during the day rather than every 12.

These changes will reduce staffing requirements, and in turn the number of on-the-day cancellations being made to journeys on some routes across the Go North East network.
