Welcome on board the brand new electric 38 run by Midland Bluebird, your friendly local bus company based right here along the route at our depot near Larbert.

We're on a mission to make your buses better than ever. More and more of you are choosing the 38 and now with brand new zero-emission buses and a bus every 15 minutes, Monday to Saturday, between Falkirk, Forth Valley Hospital and Stirling, it's easier than ever to get where you need to be.

We're running more punctually than ever too, and we've got exciting plans to keep improving from clearer information on board and at bus stops, to having more of our team out on the network to help you and make sure we run as reliably as possible.

Thanks for travelling with Midland Bluebird.
