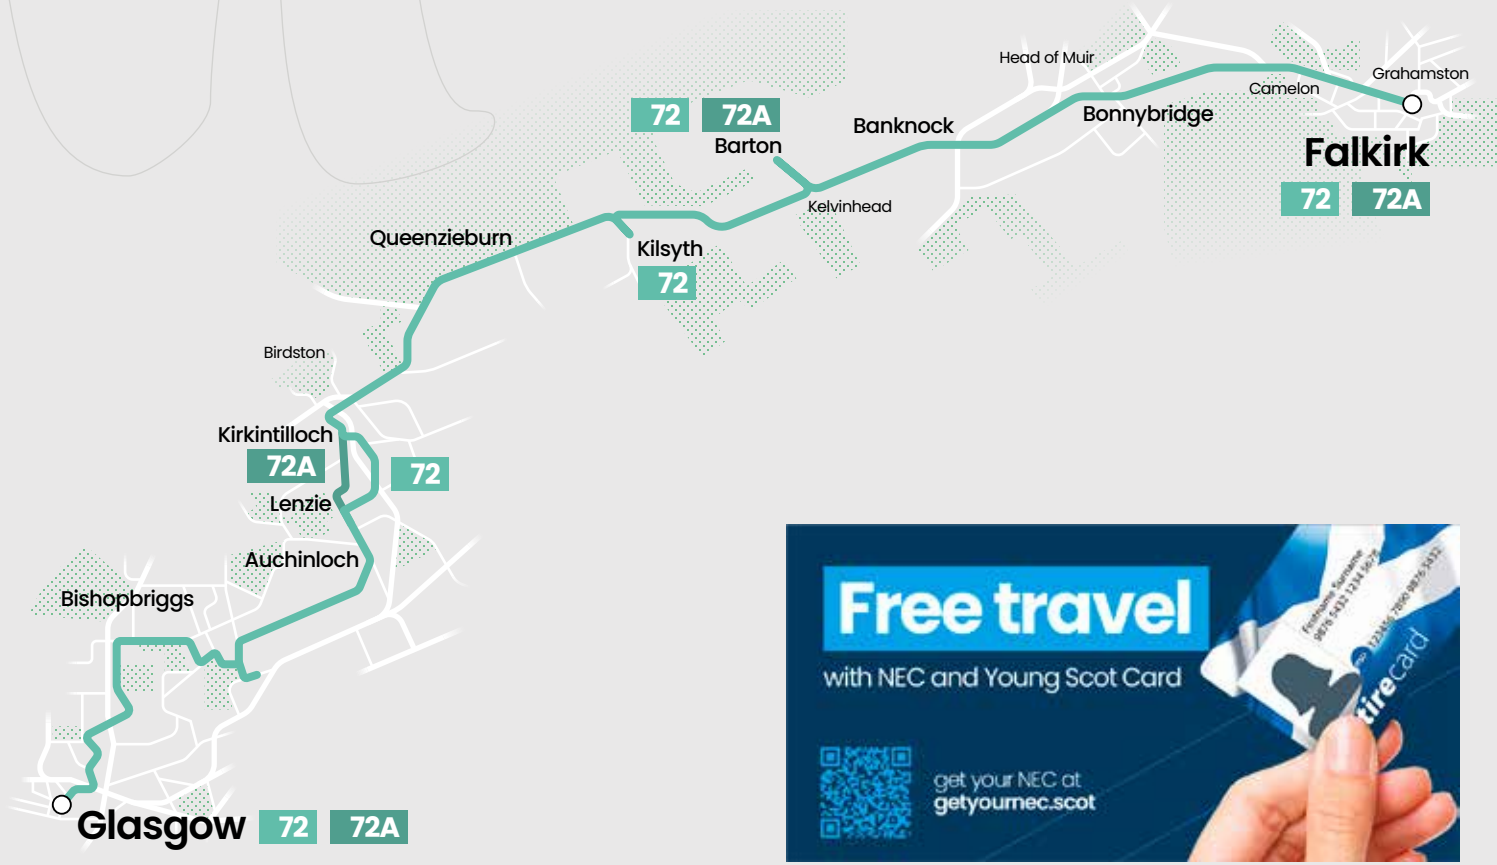
Welcome aboard

Go further with the Midland Bluebird 72 & 72A.

Travel with confidence on the 72 & 72A. These services provide reliable links between local communities, making everyday journeys simple and convenient. Whether you're heading to work, college, the shops or meeting friends, the 72 family of routes offers an easy way to get around.

With regular services throughout the day and variations designed to serve different areas and journey needs, the 72 & 72A gives you flexibility when it matters most.


From short local trips to longer connections, they're built to fit around your daily routine.
