We've made it so easy to get to Priestley College by bus, and this leaflet shows all the direct routes to the college from around Warrington, with departure times from principal places shown.

The **thick blue lines** on this map show Priestley College's own buses. These only run at the times shown.

The rest are bus routes run by Warrington's Own Buses. The thicker ones - 5, 5A, 9, 18, 19, 25 and 62 - also run through to the college at the times shown. There are plenty of other buses at other times on these routes, but you'll need to change in Warrington Interchange to get to the college on those. Cheshire Cat buses leave every 12 minutes from bay 12 in the Interchange to the college.

The thinner lines show the best buses on routes 22 and 28 to get you to college, but you'll need to change to a Cheshire Cat bus at the Interchange. There are plenty of buses at other times all day on these routes, also.

Go to warringtonsbuses.co.uk for more information and to discover our bus services from all over Warrington.

routes shown here run Monday to Friday college days
 Priestley College buses don't run on any other days
 Warrington's Own Buses run on other days as well
